Identification Number: C00187450

Reference: Amended Year End Report (7/1/93-12/31/93) dated
4/14/94

Dear Mr. Davis:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule D supporting Line 10 of the Summary Page discloses debts owed to your non-federal account totalling \$27,313.22. 11 CFR §§106.5 and 106.6 requires that all shared expenses be paid from the federal account and allows the non-federal account to transfer-in its share of the expense no more than 10 days before or 60 days after payment by the federal account.

The outstanding debt owed to your non-federal account must be paid immediately, as it represents a subsidization of federal activity by your non-federal account. Such activity is a violation of 11 CFR §102.5.

Although the Commission may take further legal steps concerning this prohibited activity, your prompt payment of the debt will be taken into consideration.

-The totals listed on Lines 6(c), 19 and 20, Column B of the Summary and Detailed Summary Pages appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals.

-Your calculations for Line 8 appear to be incorrect. Cash-on-hand at the close of the current reporting period should always equal the closing calendar year-to-date cash-on-hand amount. Please provide the corrected total on the Summary Page.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Disbursements for fundraising that are 100% federal should be properly disclosed on a separate Schedule B, supporting Line 21(b) of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

-Your calculations for administrative/voter drive EVENT YEAR-TO-DATE totals are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year within the category. EVENT YEAR-TO-DATE totals for fundraising, direct candidate support, and exempt activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous EVENT YEAR-TO-DATE total for that category or event. This running EVENT YEAR-TO-DATE total should be disclosed after each disbursement is listed. Please amend your report by providing the correct administrative/voter drive EVENT YEAR-TO-DATE totals.

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have failed to check the appropriate CATEGORY box for the payment made to John Nixon and AT&T. Please amend your report to disclose the appropriate category.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.
